

Outdoor Play Procedure

1. Children line up (eg. sit down) on our red line and are counted.
Teachers take attendance book.
2. We proceed to the front door, one teacher in the front and one teacher at the end of the line, and the children are counted again.
3. We proceed to the playground. Gates are checked to make certain they are closed.
4. While the children play, staff count and account for each child on the attendance list, which accompanies us to the playground.
5. A song is sung to tell the children to come to the gate before leaving the playground. "It's time to come to the gate"
6. Children are counted at the gate.
7. Everyone proceeds through the front door of the recCentre to the preschool classroom in an orderly fashion, one teacher in front and one at the end of the line.
8. When the children are seated for story time, a final count is made.
